# FLYBE & ASSOCIATION TRAINING SCHOOLS

## CTC Aviation

This is a part sponsored programme and provides selected pilots with a financial contribution towards the training costs, and with a conditional offer of employment as a first officer on successful completion of the training.

The part-sponsorship means Flybe make a contribution of £23,760 towards the cost of each cadet's training with CTC Aviation. The monies from the part-sponsorship will be repaid to Flybe from the pilot's salary using a salary sacrifice scheme which runs over a period of five years.

## Flight Training Europe (FTE), Jerez SPAIN

Flight Training Europe have had a long association with Flybe and they offer some part-sponsorship opportunities to successful candidates on the Multi Crew Pilot Licence course. Candidates for the MPL course will be selected by FTE and then interviewed by Flybe prior to commencement of the training course.

## Oxford Aviation Academy

The APP Pilot Training integrated course is to produce first officers for the Dash 8 Q400 fleet. Selected candidates will be selected by OAA and interviewed by Flybe. Those candidates that are successful will join the APP Pilot Training integrated course which includes a Jet Orientation Course (JOC). This course is partially sponsored by Flybe and a conditional offer of employment on successful completion of the training course.
